Subject: Des Moines TCE Redevelopment Call

Rita, as we mentioned on the call on Monday, I have arranged for Skeo (an EPA contractor) to assist in updating the reuse plan that was put together in 2007. They may also be able to help adjust any redevelopment plans in a way that can ultimately save remediation dollars. We talked about setting up a call between those planning the current redevelopment and Skeo to see how EPA can provide the most useful assistance. I have checked with Skeo and my calendar and we currently have the following times available for a conference call:

Mon, Oct. 2: 12:00 – 2:00pm CST (1-3pm EST)

Tues, Oct. 3: 11:00am – 1:00pm CST (12-2pm EST)

Wed, Oct. 4: 12:30 – 1:30pm CST (1:30 – 2:30pm EST)

Thurs, Oct. 5: 12:00 – 1:30pm CST (1-2:30pm EST)

Fri, Oct. 6: 11am – 2:00pm; 2:30 – 4pm CST (12-3;3:30-5pm EST)

Let me know if you are still interested in having a call next week and, if so, if one of the above times works best for the folks on your end.

Thanks.
